Dear Mr. Larson:

Please accept this letter in response to your September 13, 2022 appeal of your Freedom of Information Law request.

In your appeal, you noted “DHR issued five extensions to the FOIL request. Furthermore, from the time of the initial FOIL request, Apple Card has been subject to several reports of human rights abuses.”

However, the Division’s FOIL Officer has advised that on September 13, 2022, you were provided with a response to your request and advised the New York State Division of Human Rights does not have any records in its possession responsive to your FOIL request. Therefore your appeal is denied.

Thank you for contacting the Division.

Very truly yours,
