Re: FOIL No. 2021-16

Dear Mr. Larson,

I am responding to your request, dated and received March 3, 2021, by the New York State (“NYS”) Office of Information Technology Services (“ITS”), seeking pursuant to the Freedom of Information Law (Public Officers Law, Article 6, “POL”), as it relates to the DFS Tech Sprint Innovational, “to define and keep the public informed of DFS' approval roster (complete approved registration list) with corresponding business affiliation on the basis of New York's Freedom of Information Law (FOIL)

One of the tools available to the public to attain this type of information is access to records concerning any participants role in computer crimes actively engaged at the will of xNY.io's Tech Sprint denial. As the Sprint is now ongoing with DFS' approved participants. the member roster report and affiliation statistics stand already available.

Can you kindly advise if this FOIL records request can be complete this week?”

Please be advised after diligent search that ITS has determined it possesses no records responsive to your request. No records responsive to your request have been withheld or redacted pursuant to any provision of the POL. Records may be available at the Department of Financial Services (“DFS”). DFS may be reached by accessing [Open FOIL](#) or by email to the address recordsaccessofficer@dfs.ny.gov.

In the event you do not agree with this determination, please be advised you have the right under Public Officers Law § 89(4)(a) within 30 days of the receipt of this letter to appeal in writing to ITS' Records Appeals Officer at the NYS Office of Information Technology Services, Empire State Plaza, PO Box 2062, Albany, New York 12220-0062, or by email to the address counsel.foilr@its.ny.gov.

Very truly yours,

/s/Julie C. Bentzen
